CLARKE CHAPMAN FACILITIES MANAGEMENT
BASED AT SCUNTHORPE OR YORK DEPOT

Health, Safety and Environment (HSE) Advisor

JOB DESCRIPTION

- The HSE Advisor will report to the CCFM QHSE Manager and operationally to the Operations Manager and will proactively lead and promote the Company's HSE strategy.
- The HSE Advisor will have the level of responsibility to provide advice and assistance directly to the senior management team and employees on health, safety, and environmental matters in accordance with HSE Regulations, HSE Management Systems and Policies, guidelines, and other standards.
- The HSE Advisor will assist with HSE compliance and the effective communication of health, safety and environmental policies and procedures to all senior management and employees.
- A full job description outlining the main duties of the role will be supplied with the application pack.

EXPERIENCE AND KEY COMPETENCIES:

- Experience of working within the Rail industry (desirable)
- Experience of Lifting Operations (desirable)
- Effective experience or qualification in incident investigation and root cause analysis.
- Good communication, organisational and report writing skills
- Excellent people management skills
- Fully experienced with IT software packages (MS-Word, Excel & Access).

QUALIFICATIONS

- HND or equivalent in an engineering discipline or be able to demonstrate relevant experience.
- Recognised Health, Safety and Environmental qualification (IOSH or NEBOSH) at diploma level or working towards diploma level.
- Be a member of IOSH or IEMA
- Recognised Train the Trainer qualification (desirable)
- Full valid Driving Licence
